CREATION OF EVENTS BY PARTNERS

REGISTERING EVENTS →

By **7 March 2025**, add up to two Events³ (social or academic) to the PAW calendar:

ORGANIZING EVENTS →

(NEW) For the **2025 edition**, PAW is introducing:

- **Fixed Start Times** (8:30, 10:30, 12:30, 14:30, 16:30, 18:30, or 20:00) to allow participants to attend more Events.⁴
- **Monitoring of number of Events per timeslot** to improve attendance of PAW Partners' Events. PAW will alert Partners in case they try to register an Event during a timeslot that already has more than 10 simultaneous Events.

Registration is on a first come first serve basis, we therefore **invite Partners to organize their Events as soon as possible**.

Participants will be able to register for Events on the PAW calendar as of **7 January 2025**.

CONFIRMING EVENTS →

By **24 March 2025**, Partners will have to confirm or decline all requests for registration to their respective Events to allow participants to plan their week.

3. Only Paying Partners can organize up to two Events.

4. Partners are encouraged to organize two-hour Events.
